EXPERIENCE

Senior Writer Purdue University, College of Engineering, West Lafayette, IN
3/99 - Present

Editorial:

- *Purdue's Engineering Edge*: Conceptualized and produced five annual research publications highlighting Purdue's cross-disciplinary efforts in the areas of nanotechnology, biomedical engineering, environmental engineering, homeland security, alternative energies, and eight signature areas. The fall 2005 version received a bronze medal from CASE V.
- *Purdue Engineering Impact*: also a winner of a bronze medal and honorable mention recognition from CASE V. Provide editorial lead for *Civil Engineering Impact* and *Nuclear Engineering Impact*.
- *Imprints*: Guided the work of freelance writers, photographers, and graphic artists for this flagship publication, the annual report for the College of Engineering.

Writing:

- *Purdue's Engineering Edge*: Written several stories for this research publication (publications page 2).
- *Civil and Nuclear Engineering Impact*: Generally provide about 50 percent of each issue's copy.
- *Imprints*: Wrote ten stories for this annual report.
- *Extrapolations*: Wrote two cover stories for this alumni magazine with a print run of 65,000.
- Provide concept and copy for billboards, fund-raising letters, postcards, and posters.

Multimedia:

- Photo CDs: Work with a photographer to showcase engineering research.
- Video work: Co-produced newsreels, faculty and alumni award videos, and recruitment videos.
- PowerPoint Speeches: Written and produced multimedia speeches for the engineering deans.
- Web writing: Originated the College of Engineering's first monthly electronic newsletter.

Editor-in-Chief *Sport Literate*, Chicago, IL

1/95 - Present

- **Founder**: created the nation's lone literary journal exploring sports through creative nonfiction.
- **Grant writer**: received 11 consecutive awards from the Illinois Arts Council (IAC).
- **Editor**: worked with more than 100 contributors, including three IAC award winners.
- **Business manager**: managed more than \$35,000 in grant monies.
- **Marketer**: organized bookstore readings and fund-raising events in Chicago and Indianapolis.

Copywriter Macmillan Computer Publishing, Indianapolis, IN
2/98 - 3/99

- Wrote cover copy for dozens of computer books in *The Complete Idiot's Guide®* series.
- Created cover copy for books in the best-selling *Special Edition Using* series.
- Produced marketing pieces for promotions at Barnes & Noble, CompUSA, and direct mailings.

Communications Editor Sears, Hoffman Estates, IL
7/96 - 12/97

- *Executive Magazine*: responsibilities included writing, editing, and designing (in Quark Express) a monthly management-training magazine for the Sears Hardlines team.
- *Currents Magazine*: edited and designed this magazine for Brand Central sales associates.
